game in advance and you can leave any feedback here or on our Discord channel or on our Facebook: Discord Facebook Hope you all have a great time and see you in the Endless World.. Release postponed : Dear Players We are very sorry to say that we have postponed the release of Endless World which was originally on 15th August. During our internal test, we found issues that will affect the gameplay experience. Postponing the release was a very very difficult choice for us. But in the end, we wanted everyone to play a good game, instead of a bad one. We will use the time to fix the issues, and collect feedback from the community. We will do our best to launch the game as soon as possible. Thank you all for your support.. Dev log #3 13th Sep : Game Scene: -Add an oriental scene We've got feedbacks from communities that suggested us to add an oriental scene to Endless World. So here it is on Artworkplease check it! We truly value the feedback from you players so feel free to tell us what you think of Endless World..
